

## **Interior Design Consultant**

We are seeking a candidate with prior **Builder Design Studio** experience, to offer design guidance and product knowledge to the homebuyers as they make interior selections to customize their home.

### **Qualifications & Required Skills:**

- Must be detail minded and organized.
- Self-disciplined with good time management skills and the ability to handle multiple projects simultaneously.
- Provide professional design guidance and convey product knowledge throughout the selection process.
- Ability to work within a fast-paced environment with tight dead-lines.
- Must be a team player with a positive attitude. This position involves interaction with both internal and external customers on a daily basis.
- Must possess effective communication and listening skills, with the ability to resolve conflict in a positive manner.
- Ability to deliver excellent customer service to the homebuyer.
- Possess a high level of integrity.
- Willingness to learn and adapt to changes on a daily basis.
- Strong follow up and follow through skills.

### **Education & Experience:**

- Education: **2-4 year Interior Design degree preferred.**
- Experience: **1-3 years experience in a Builder's Design Studio.**
- Computer Skills – **Excel – Word – Outlook – PowerPoint – Adobe Acrobat**

### **Working Conditions:**

- The Design Consultant role will experience times of high and low volume. Extra work hours may be required to hit agreed upon builder cycle times.

### **Physical Requirements:**

- This job does require long periods of standing/walking as well as sample handling, some of which can weigh up to 20 lbs.

### **Benefits offered:**

- Health, Dental, Vision, and Life Insurance options
- 401K retirement savings plan
- Paid Time Off
- Holiday Pay

### **Salary:**

- \$45,000.00 per year.
- Potential to earn quarterly bonuses based upon performance.
